Re: Med-Asia Shipping Ltd. v. Cosco
Beijing International Freight Co., Ltd.
07 CV 9624 (RMB)
Our Ref.: 128684-00601

Dear Judge Berman:

MEMO ENDORSED

We represent defendant Cosco Beijing International Freight Co. Ltd. in the referenced matter.

At the pre-motion conference on January 30, I suggested and opposing counsel and the Court agreed that our motion for countersecurity would be filed today, February 4, Plaintiff's opposition papers on February 11, and our reply papers on February 15.

We request an extension of the deadlines to February 7, 14, and 19, respectively. There are two reasons.

I am working with a colleague in Hong Kong who is the contact with the client in Beijing. Last Thursday evening her father suffered a heart attack and passed away Friday. I did not receive some of the information I expected for the motion.

Also, Hong Kong and China will celebrate their New Year February 7, 8, and 9, and it is likely that Plaintiff's counsel would have needed additional time in any event.

Opposing counsel does not object and has recommended that his client agree. However, due to the time difference, he will not hear from his client until tomorrow morning.
